Pursuant to 37 C.F.R. 1.109 and M.P.E.P 1302.14, the following is an Examiner's Statement of Reasons for Allowance:

The prior arts of record do not teach a system that protects a server against denial-of-service attacks. First the server receives a client request for service. In response to this request, the server sends a random number y and an ID to the client and allows the client to compute a preimage, x , such that $y = h(x)$ and return the result to the server. Then, the server verifies the result and avoids computing $h(x)$ until the result matches identifier.

The examiner considers the applicants' claims 1-30 to be allowable based on the claim interpretation and the aforesaid prior arts of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krisna Lim whose telephone number is 571-272-3956. The examiner can normally be reached on Monday to Wednesday and Friday from 7:30 AM to 4:00 PM.
